The details of the Related Parties and Nature of the RRPT under the Proposed Renewal of Existing Shareholders' Mandate are set out in Appendix I of this Circular.

(b) Amount Due and Owing to Straits Group by Related Parties

As at the LPD, there was no outstanding amount due from or owing to the Related Parties under the Existing Mandate which has exceeded the credit term.

3. REVIEW PROCEDURES IN RELATION TO RRPT

3.1 Review Procedures for the RRPT

Straits Group has established various procedures to ensure that such RRPT are to be undertaken at an arm's length basis and on the Group's normal commercial terms and consistent with the Group's usual business practices and policies and on transaction price and terms not more favourable to the Related Parties than those generally available to the public and will not be detrimental to the minority shareholders. There are no specific thresholds for approval of RRPT within the Group. All RRPT will be reviewed by the Audit Committee ("AC") and approved by the Board of Directors ("the Board").

Therefore, disclosure and approval procedures with regard to RRPT are as follows:

- (i) a list of the Related Parties will be established and circulated to the heads of each finance division within the Group, who shall monitor and ensure that all RRPT to be entered into by the Group are reported and forwarded to the AC, who then ensures that the RRPT are to be undertaken at an arm's length basis, on the Group's normal commercial terms, on terms which are not more favourable to the Related Parties other than those generally available to the public and which are not to be detrimental to the minority shareholders. These include transacting at prevailing market rates/prices of the service provider's usual commercial terms or otherwise in accordance with applicable industry norm. Transactions refers to both sales and purchases or services of the Group;
- (ii) the Group is made aware of the requirements to monitor, and shall put in place proper processes or systems to record and report on all RRPT for compilation and reporting to the AC;
- (iii) proper records are maintained at the Company and each of its subsidiaries to capture all RRPT so that all RRPT entered pursuant to the mandate will be adequately discussed;
- (iv) all RRPT will be reviewed by the AC on a quarterly basis. In its review of such transactions, the AC may, as it deems fit, request for additional information from independent source;

- (v) the internal audit plan shall incorporate a review of RRPT to ensure that all the relevant approvals for the RRPT have been obtained. The internal audit function of the Group will conduct periodic reviews of the system of controls in place to ensure that RRPT are identified and reported, and to determine whether internal guidelines and procedures have been complied with (including those to ensure that transactions are at arm's length);

The results of the internal audit reviews will be tabled for the review of the AC. The AC will review these reports to determine whether established guidelines and procedures have been adhered to and if there is a need for further review or to improve the procedures;

- (vi) the Board and AC shall have overall responsibility for determination of the review procedures and guidelines including addition of new review procedures, where applicable. An annual review of the RRPT procedures and guidelines will be carried out by the AC. If during the annual review, the AC is of the view that the RRPT procedures and guidelines are no longer valid or inadequate to ensure that the RRPT are made on an arm's length basis on the Group's normal commercial terms, on terms not more favourable to the Related Parties than those generally available to the public and not to the detrimental of our minority shareholders, the AC shall have the discretion to discharge, vary, modify the existing procedures and guidelines or implement new or additional procedures and guidelines, without management's prior approval, provided that such amended, varied, modified, new or additional procedures and guidelines are no less stringent than the existing ones;
- (vii) at least 2 other contemporaneous transactions with unrelated third parties for similar products/ services and/or quantities will be used as comparison wherever possible to determine whether the price and terms offered to/ by the Related Parties are fair and reasonable and comparable to those offered to/ by other unrelated third parties for the same or substantially similar type of products/ services and/or quantities;
- (viii) In the event where such comparable quotations from unrelated third parties cannot be obtained, the Purchase Order/ Contract/ Agreement which is transacted with the Related Parties shall be approved by at least two (2) managerial level who has no interest in the transaction and familiar/ relevant to that industry in order to give proper purchase justification prior to the ordering process. This is to ensure that the pricing of any RRPT are not detrimental to the Group;
- (ix) in accordance with the Listing Requirements, disclosure in relation to a breakdown of the aggregate value of the RRPT entered into during the financial year based on amongst others, the following information:
 - (a) the type of the RRPT; and
 - (b) the names of the Related Parties involved in each type of RRPT made and their relationship with the Company;

will be made in the Company's annual report for the financial year during which the Shareholders' Mandate are in force;

- (x) if a member of the Board or AC has an interest (directly or indirectly) in any RRPT, he/she must declare his/her interest in the RRPT and abstain from participation in the decision making of the Board or AC on the said RRPT;
- (xi) pursuant to Rule 10.09 of the Listing Requirements, in a meeting to obtain the Proposed Renewal of Shareholders' Mandate, the interested Director, Major Shareholders or Persons Connected with them must not vote on the resolution in respect of the RRPT; and where it involves the interest of an interested person connected with a Director or Major Shareholders, such Director or Major Shareholders must not vote on the resolution approving the transactions. An interested Director or interested Major Shareholder must ensure that persons connected with them will abstain from voting on the resolution approving the RRPT; and
- (xii) interested Director shall also abstain from deliberating at Board meetings in respect of the RRPT in which they or Persons Connected with them are interested.

3.2 Deviation between Actual Value Transacted and Estimated Value for the General Mandate

The actual value of the RRPT that were transacted from the date on which the existing mandate was obtained at the last 23rd AGM of the Company i.e. 22 June 2020, up to LPD did not exceed the estimated value by 10% or more.

3.3 Statement by Audit Committee ("AC")

The AC has reviewed the procedures of the Proposed Renewal of Shareholders' Mandate set out in Section 3.1 of this Circular and is of the view that the procedures are sufficient to ensure that the RRPT are made on an arms' length basis on the Group's normal commercial terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The AC is of the further view that the Straits Group has in place adequate procedures and processes to monitor, track and identify the RRPT in a timely and orderly manner. The AC shall review these procedures and processes on a yearly basis or whenever the need arises.

4. RATIONALE FOR AND BENEFIT TO STRAITS GROUP IN TRANSACTING WITH RELATED PARTY

The Proposed Renewal of Shareholders' Mandate sought are all in the ordinary course of business. It is envisaged that in the ordinary course of business of the Straits Group, the RRPT are likely to occur with some degree of frequency and it may be impractical to seek shareholders' approval on a case to case basis before entering into such RRPT as and when such RRPTs occur.

The Related Parties which are involved in the Recurrent Transactions have proven their reliability. In some instances, the Related Parties provide the Group the support for its operational and business needs. The Related Parties allow the Group more flexible arrangement in a timely manner. In most dealings with the Related Parties, close cooperation and a good understanding of each other's business needs provides a platform where decisions can be quickly made and all parties can benefit from conducting the RRPT.

The RRPT is necessary for the Group's day-to-day operations, which are time sensitive in nature, and will eliminate the need to announce and convene separate general meetings (if applicable) to seek prior approval of shareholders for such transactions. This will substantially reduce the expenses associated with the convening of general meetings on an ad-hoc basis, improve administration efficiency and allow manpower resources and time to be channelled towards attaining other corporate objectives.

5. FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate will not have any effect on the issued share capital, substantial shareholders' shareholdings, net assets per share, earning per share and gearing of the Group.

6. APPROVAL REQUIRED

The Proposed Renewal of Shareholders' Mandate is subject to the Shareholders' approval at the forthcoming AGM to be held on 24 June 2021.

FURTHER INFORMATION

1. RESPONSIBILITY STATEMENT

This Circular has been seen and approved by our Directors and they individually and collectively accept full responsibility for the accuracy of the information contained herein and confirm that after having made all reasonable enquiries and to the best of their knowledge and belief, there is no statement or information in this Circular which is false or misleading or any fact, the omission of which would make any statement in this Circular false or misleading.

2. MATERIAL LITIGATION / ARBITRATION

As at the LPD, save for the following material litigations, neither the Company nor any of its subsidiaries are engaged in any material litigation, claims, or arbitration, either as plaintiff or defendant, and the Board is not aware of any proceedings pending or threatened against the Group or of any facts likely to give rise to any proceedings which may materially and adversely affect the financial position or business operations of the Group:-

- (i) Arbitration between ING Bank N.V ("**ING**" or "**First Claimant**"), O.W. Bunker Far East (Singapore) Pte Ltd ("**OWBFE**" or "**Second Claimant**"), collectively referred to as the "**Claimants**") and Tumpuan Megah Development Sdn Bhd ("**TMD**" or "**Respondent**").

The Claimants alleged that on 19 December 2013, a series of financing agreements were entered into between O.W. Bunker & Trading A/S ("**OWBAS**"), together with certain subsidiary companies (including OWBFE) and a syndicate of banks and ING (in its capacity as a security agent under a revolving borrowing base facilities agreement). As part of that transaction, ING entered into an English law Omnibus Security Agreement dated 19 December 2013 ("**OSA**") with OWBAS and certain of its subsidiaries (including OWBFE) to assign to ING certain trade and intercompany receivables, insurances and brokerage accounts. The Claimants further alleged that pursuant to the aforesaid, notice of assignment of supply receivables was given to TMD.

The Claimants also alleged that on or about 17 October 2014 and 29 October 2014, TMD and OWBFE entered into contracts both made orally or by yahoo messenger evidenced by a nomination sheet, invoice and sales order confirmation whereby OWBFE agreed in the ordinary course of business to supply and/ or sell to TMD 423.73 MT of gas oil at a price of USD753 per MT for delivery at the port of Pasir Gudang and 794.915 MT of gas oil at a price of USD775.50 per MT for delivery at the port of Kuantan respectively.

Notwithstanding the ongoing arbitration which commenced on 2 May 2017, the Vendor (Raja Ismail Bin Raja Mohamed) via an irrevocable Personal Guarantee dated 30 April 2020 had undertaken to indemnify the Company against the liabilities of TMD arising from the arbitration and shall promptly pay such liabilities upon receipt of a payment demand from the Company.

On 14 April 2021, TMD received a sealed Order dated 22 March 2021 and undated Notice of Registration of Foreign Judgement and this represents an attempt by the Claimants to enforce an English Judgement for USD937,353 with interest and cost of which TMD has disputed jurisdiction.

Accordingly, TMD is taking steps to strenuously resist this attempt to enforce an invalid arbitration award issued without jurisdiction and TMD's solicitors had on 27 April 2021 filed an application to the High Court of Malaya, Kuala Lumpur to set aside the earlier mentioned sealed Order and undated Notice of Registration of Foreign Judgement.

Bhd ("LPM") for subscription of up to 5,100,000 ordinary shares at RM 1.00 each for cash consideration in MPM to jointly undertake Port Management Services.

- (v) A novation agreement dated 10 March 2020 entered into between Straits with MPM and LPA, whereby, with the consent and agreement of LPA, Straits has novated its rights, title, benefits, interests, covenants, undertakings, duties, liabilities and obligations under the Principal Agreements to MPM, subject to the terms and conditions of the Novation Agreement.
